

## The table below describes the probability of asbestos exposure by Navy MOS

The box below links to the M21 section on developing claims for SC

[Asbestos exposure is not exclusive to Naval Veterans and may have been incurred in occupational capacities that are not included on the MOS list as discussed at M21-1, Part IV, Subpart ii, 1.I.3.d. Asbestos exposure may be demonstrated upon review of the claims folder on a basis other than MOS.](#)

Please remember asbestos related condition take at least 10 years to manifest themselves after exposure.
